

Dear Prayer Partners and Financial Supporters,

As we celebrate this Christmas season, we extend our warmest greetings and profound gratitude to each of you for your support and prayers during 2024.

This year has been so significant for our ministry, marked by remarkable progress. We have witnessed many students graduate and new centres launched, even in some most challenging circumstances.

As we approach 2025, we are excited to announce we will be celebrating our 10th anniversary. We are amazed to find that over the past decade, more than 6,000 LIM students have graduated, leading to the creation of perhaps thousands of new disciples and the establishment of numerous new churches. All the glory for this success belongs to Jesus.

In the coming months, we will announce special celebrations that we hope you will join, along with new projects we are eager to unveil. One of our recent developments is the recruitment of David Detweiler from South Carolina (USA) as our new Director of International Development & Stewardship, effective October 2024. David brings a wealth of experience in sustainable development and has travelled extensively throughout Africa and Asia. We are also thrilled to have his wife, Ruth, who currently leads three of our course centres, they are a precious couple and such a gift from God. We must also mention Mrs Cheryl Dance who lives and works in the UK and joins our teaching team in Rwanda, she brings extensive teaching experience as a seasoned YWAMer.

Thank you once again for your support and partnership in this transformative journey.

We wish you a joy-filled Christmas and a truly happy 2025

Warm regards,

Keith King

Mark Thorogood

David Detweiler
